Sing-Along Lyrics

Let the Sun Shine

Let the sun shine; let the sun shine, the sun shine in.

Country Roads

Almost heaven, West Virginia, Blue Ridge Mountains, Shenandoah River
Life is old there, older than the trees, Younger than the mountains, growin'
like a breeze

Chorus: Country roads, take me home, To the place I belong
West Virginia, mountain mama, Take me home, country roads
All my memories gather 'round her, Miner's lady, stranger to blue water
Dark and dusty, painted on the sky, Misty taste of moonshine, teardrop in
my eye.

(Chorus)

I hear her voice in the mornin' hour, she calls me; The radio reminds me of
my home far away
Drivin' down the road, I get a feelin' That I should've been home yesterday,
yesterday Chorus

What a Wonderful World

I see trees of green, Red roses too, I see them bloom, For me and you
And I think to myself, What a wonderful world
I see skies of blue, And clouds of white, The bright blessed day, The dark
sacred night

And I think to myself, What a wonderful world
The colors of the rainbow, So pretty in the sky
Are also on the faces, Of people going by
I see friends shaking hands, Saying, "How do you do?"
They're really saying, "I love you"

I hear babies cry, I watch them grow, They'll learn much more, Than I'll
ever know

And I think to myself, What a wonderful world
Yes, I think to myself, What a wonderful world
